*1. Master of the Universe, who reigned before any form was created,
When all was made according to His will, then He was called King.*

*2. And when all shall end, He alone, the Awesome One, shall reign.
He was, He is, and He will be in splendor.*

*3. He is One, there is no second to compare to Him or to be His equal.
Without beginning, without end, to Him is the power and the sovereignty.*

*4. He is my God, my living redeemer, Rock of my fate in time of distress.
He is my banner and my refuge who fills my cup on the day I call.*

*5. Into His hand I entrust my spirit, when I sleep and when I wake.
As the spirit dwells in my body, God is with me and I am not afraid.*
